

For over 35 years, Camp Jotoni has opened its grounds to individuals with special needs and their families each spring to share the excitement of our unique camp experience.

Over the past few years, Camp Jotoni has started to experience some wear and tear of its building facilities. In addition, Hurricane Sandy took its toll on Camp Jotoni, taking down many trees, flowers and shrubs.

Donations to the Capital Campaign will help us renovate our facilities and expand our camp services to ensure we continue to meet the needs of those we serve. In addition, we will have the ability to open our facilities to the Warren Community.

Our plans to expand and renovate Camp Jotoni include:

- Larger and more energy efficient and insulated cabins for year round use.
- Full service nursing station
- Community Access for use of our grounds and facilities
- Landscaped grounds and pool upgrades

We hope you will consider contributing to the Camp Jotoni Capital Campaign and be part of our Local Community Support Program.
