JDECC SPRING 2010 CLASSES

Gym Jam

What is Gym Jam?! It's a fun *movement group!*

This class is for children who need a boost in their physical and social skills. This small group, high activity class is taught by a NJ licensed Physical Therapist/MEd Teacher who has many years experience in 1 to 1 and group pediatric physical therapy. The goal of the class is to encourage children to use common play activity to stretch and strengthen their muscles, while having fun! This class also encourages motor planning and the opportunity to practice their communication and social skills.

This class is a great group therapy addition to your child's current Early Intervention and a great way to burn energy on a warm spring day!

Children ages 2 - 3 welcome!

Class will meet Wednesdays for 4 consecutive weeks from 9:30AM – 10:30AM

Start Date: April 28th, 2010

This is a great class to introduce your child to a classroom in prep for a daycare or intro to preschool!

Children ages 2 – 3 & their parents and caregivers welcome.
