INDEPENDENT AUDITORS' REPORT

To the Board of Directors
The Arc of Somerset County, Inc. and Affiliates
(A New Jersey Not-for-Profit Organization)

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of The Arc of Somerset County, Inc. and Affiliates (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2015, and the related consolidated statements of activities and changes in net assets, functional expenses, functional expenses – program services, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Arc of Somerset County, Inc. and Affiliates as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Consolidated Information

We have previously audited the Organization's 2014 consolidated financial statements and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated December 19, 2014. In our opinion, the summarized comparative consolidated information presented herein as of and for the year ended June 30, 2014 is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidated schedule of expenditures of federal, state and county awards, as required by the U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and State of New Jersey OMB Circular Letter 04-04, Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain other procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidated schedule of expenditures of federal, state and county awards is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole,

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 24, 2015 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Organization's internal control over financial reporting and compliance.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Nature of organization:

The Arc of Somerset County, Inc. ("The Arc") is a private, not-for-profit organization that is dedicated to providing support and services to children and adults with intellectual/developmental disabilities in Somerset County and the surrounding areas. A full range of programs and services are available to children, adults and families that encompass the entire life span. The Arc focuses on meeting the unique needs of each individual and providing comprehensive services to meet those needs. The Arc provides therapeutic, educational, social and recreational programs for children through the Jerry Davis Center for Children and Families. Adult services include residential, vocational and recreational activities that allow for maximum independence in a community setting. The goal of The Arc is to promote development and achievement for all individuals served.

[2] Consolidation policy:

The consolidated financial statements include the accounts of The Arc, Somerset Arc Apartments, Inc., Arc Housing of Somerset, Inc., The Arc Foundation of Somerset County, Inc. ("Foundation"), and for the year ended June 30, 2014, also includes Arc Community Housing Opportunities, Inc. ("ACHO") (collectively, the "Organization"), all of which are under common control and have economic interest in each other. As of September 2014, ACHO was dissolved and all remaining net assets and operations were transferred to The Arc. All intercompany accounts and transactions have been eliminated in consolidation.

[3] Basis of presentation:

The Organization has presented its consolidated financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under this guidance, the Organization is required to report information regarding its consolidated financial position and activities according to the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

- Permanently restricted net assets net assets subject to donor-imposed restrictions that they be maintained
 permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or
 part of the income earned on related investments for general or specific purposes.
- Temporarily restricted net assets net assets subject to donor-imposed restrictions that will be met by actions of the Organization or by the passage of time.
- Unrestricted net assets net assets not subject to donor-imposed restrictions.

The Organization had no permanently restricted net assets as of June 30, 2015 or 2014.

[4] Revenue recognition:

The Organization receives its operating support predominantly in the form of grants or contracts, primarily from the Division of Developmental Disabilities, and other state and county agencies. Grant and contract revenue is recognized as expenditures are made from the particular grant or contract.

The Organization records contributions and grants as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. The Organization records contributions as revenue in the period received, at their net realizable value. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities and changes in net assets, as net assets released from restrictions. The Organization recognizes tuition and fees in the period in which the instruction is performed.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[5] Use of estimates:

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

[6] Cash and cash equivalents:

For the purposes of the consolidated statements of financial position and cash flows, the Organization considers all short-term investments with an original maturity of three months or less to be cash equivalents.

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts and, as such, believes it is not exposed to any significant credit risk on cash and cash equivalents.

[7] Accounts receivable:

Accounts receivable consist primarily of tenant, program and tuition revenue billed to individuals due upon a specific time, dependent upon the agreement. The Organization provides an allowance for doubtful accounts equal to the estimated uncollectible amounts, as determined by management. An allowance for doubtful accounts was not deemed necessary at June 30, 2015 or 2014.

[8] Grants receivable:

Grants receivable consist of funding to be received from various federal, state and county agencies for several of the Organization's programs.

[9] Investments:

Investments in marketable securities with readily determinable fair values are reported at their fair values in the consolidated statements of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying consolidated statements of activities and changes in net assets, and are included in investment income.

[10] Income tax status:

The Organization operates under a group tax exemption obtained by The Arc of New Jersey under Internal Revenue Code Section 501(c)(3). It is also exempt from New Jersey income taxes due to its incorporating as a New Jersey not-for-profit corporation.

Management has analyzed the tax positions taken by the Organization, and has concluded that as of June 30, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the consolidated financial statements. The Organization recognizes accrued interest and penalties associated with uncertain tax positions, if any. There were no income tax-related interest or penalties recorded for the years ended June 30, 2015 and 2014.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[11] Land, property and equipment:

Land, property and equipment are stated at cost less accumulated depreciation. The U.S. Department of Housing and Urban Development ("HUD") regulates the HUD properties, and the entire operations of the projects are regulated by the Regulatory Agreement under Section 202 of the Housing Act of 1959. The Organization follows the practice of capitalizing at cost all expenditures for property and equipment in excess of \$5,000. Depreciation is computed on a straight-line basis over the useful lives of the assets, generally as follows:

	Estimated Life (Years)
Land improvements	10 - 27.5 years
Buildings and improvements	10 - 27.5 years
Furniture and equipment	3 - 10 years
Vehicles	3 - 5 years
Leasehold improvements	Shorter of the useful
	life or lease term

Management evaluates the recoverability of the investment in long-lived assets on an ongoing basis and recognizes any impairment in the year of determination. Long-lived assets were tested for impairment as of June 30, 2015 and 2014, and in the opinion of management, there was no impairment. It is reasonably possible that relevant conditions could change in the near term and necessitate a change in management's estimate of the recoverability of these assets.

[12] Mortgage refinancing costs:

Mortgage refinancing costs totaling approximately \$87,000 at June 30, 2015 and 2014, respectively, are being amortized on the straight-line method, which approximates the effective interest method, over the lives of the loans. Accumulated amortization is approximately \$40,000 and \$36,000 at June 30, 2015 and 2014, respectively. Amortization included as a charge to income amounted to approximately \$4,000 for both of the years ended June 30, 2015 and 2014. The approximate amount of amortization for each of the five years subsequent to June 30, 2015 is \$4,000.

[13] Functional allocation of expenses:

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated statements of activities and changes in net assets, and consolidated statements of functional expenses and program services. Accordingly, costs are allocated among the programs and supporting services benefited, based on evaluation of the related benefits. Supporting services expenses include those expenses that are not directly identifiable with any other specific function, but provide for the overall support and direction of the Organization.

[14] Prior year summarized consolidated financial information:

The consolidated financial statements are presented with 2014 summarized consolidated financial information. With respect to the consolidated statement of activities, such prior year summarized consolidated financial information is presented in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended June 30, 2014, from which the summarized consolidated financial information was derived.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[15] New accounting pronouncements:

In August 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2014-15 ("ASU 2014-15"), *Presentation of Financial Statements – Going Concern*, an amendment to Subtopic 205-40. ASU 2014-15 provides U.S. GAAP guidance on management's responsibility in evaluating whether there is substantial doubt about an entity's ability to continue as a going concern and about related footnote disclosures. For each reporting period, management will be required to evaluate whether there are conditions or events that raise substantial doubt about an entity's ability to continue as a going concern within one year from the date the financial statements are issued. The amendments are effective for annual periods ending after December 15, 2016, and interim periods within annual periods beginning after December 15, 2016. Early application is permitted for annual or interim reporting periods for which the financial statements have not previously been issued. The Organization is currently evaluating the effect that the updated standard will have on the consolidated financial statements and related disclosures.

In April 2015, the FASB issued Accounting Standards Update No. 2015-03 ("ASU 2015-03"), *Interest- Imputation of Interest: Simplifying the Presentation of Debt Issuance Costs*, an amendment to Subtopic 835. ASU 2015-03 requires that debt issuance costs related to a recognized debt liability be presented in the balance sheet as a direct deduction from the carrying amount of that debt liability, consistent with debt discounts. The recognition and measurement guidance for debt issuance costs are not affected by the amendments in this ASU. For non-public business entities, the amendments are effective for financial statements issued for fiscal years beginning after December 15, 2015 and interim periods within fiscal years beginning after December 15, 2016. Early adoption of the amendments is permitted. The Organization is currently evaluating the effect that the updated standard will have on the consolidated financial statements and related disclosures.

In May 2015, the FASB issued Accounting Standards Update No. 2015-07 ("ASU 2015-07"), *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, an amendment to Fair Value Measurement Topic 820. ASU 2015-07 removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. For non-public business entities, ASU 2015-07 is effective for fiscal years beginning after December 15, 2016, and interim periods within those fiscal years. Early adoption is permitted. The Organization elected to adopt ASU 2015-07 as of and for the year ended June 30, 2015. Accordingly, investments measured using the net asset value per share practical expedient have not been categorized within the fair value hierarchy. The amendment has been applied retrospectively to all periods presented.

[16] Subsequent events:

The Organization's management has evaluated subsequent events through November 24, 2015, the date the consolidated financial statements were available to be issued.

NOTE B - INVESTMENTS

Equity mutual funds	\$ 265,438	\$ 151,565
Exchange traded funds	70,455	52,205

Unrealized gain on investments	949	40,248
	\$ 12,094	\$ 44,703

NOTE C - FAIR VALUE MEASUREMENTS

The Fair Value Measurements and Disclosures topic establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair Value Measurements and Disclosures define fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants. In determining fair value, the Organization uses various valuation approaches, including market, income and/or cost approaches. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

- Level 1 Quoted prices for identical assets or liabilities in active markets.
- Level 2 Quoted prices of similar instruments in active markets; quoted prices of identical or similar instruments in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.
- Level 3 Significant inputs to the valuation model are unobservable.

The methods of valuation described herein may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(A New Jersey Not-for-Profit Organization)

Notes to Consolidated Financial Statements June 30, 2015 and 2014

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2015 and 2014.

Mutual funds and exchange traded funds – Valued at quoted market prices that represent the net asset value of shares held by the Organization at the end of the year.

Real estate investment trusts - Valued at cost.

The following tables set forth, by level, the Organization's assets at fair value, within the fair value hierarchy, as of June 30, 2015 and 2014:

	Assets at Fair Value as of June 30, 2015			
	Level 1	Level 2	Level 3	Total
Equity mutual funds	\$ 265,438	\$ -	\$ -	\$ 265,438
Exchange traded funds	70,455	-	-	70,455
Real estate investment trusts			52,500	52,500
	<u>\$ 335,893</u>	<u>\$ -</u>	\$ 52,500	\$ 388,393
	Asset	ts at Fair Value	e as of June 30), 2014
	Level 1	Level 2	Level 3	Total
Equity mutual funds	\$ 151,565	\$ -	\$ -	\$ 1 51 ,565
Exchange traded funds	52,205	_	-	52,205
Real estate investment trusts			52,303	52,303
	\$ 203,770	\$ -	\$ 52,303	\$ 256,073

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended June 30, 2015 and 2014, there were no transfers into or out of levels 1, 2 or 3.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
The Arc of Somerset County, Inc. and Affiliates
(A New Jersey Not-for-Profit Organization)

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of The Arc of Somerset County, Inc. and Affiliates (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2015, and the related consolidated statements of activities, functional expenses, functional expenses – program services, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 24, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the organization's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The Organization's major federal and state programs are identified in the summary of auditor's results section of the accompanying consolidated schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal and state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*; and State of New Jersey OMB Circular Letter 04-04, Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid. Those standards, OMB Circular A-133 and State of New Jersey OMB Circular 04-04, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal and State Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended June 30, 2015.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and state program and to test and report on internal control over compliance in accordance with OMB Circular A-133 and State of New Jersey OMB Circular 04-04, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal, state and county program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal and state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal and state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133 and State of New Jersey OMB Circular 04-04. Accordingly, this report is not suitable for any other purpose.
