

## Arc Staffing Solutions: The Right Choice

Hiring individuals with intellectual and developmental disabilities through Arc Staffing Solutions offers distinct advantages:

*Only qualified individuals are referred by Arc Staffing Solutions, saving the employer recruitment and training costs.*

*Job turnover is decreased due to higher employee satisfaction and motivation.*

*Targeted job tax credits are available to the employer in many cases.*

*Employers across the country recognize that hiring people with disabilities has a positive impact on their own bottom line, their corporate community profile, and the communities in which they do business.*

Call us today and we can show you how easy it is to include a person with a disability on your business team.

*For people with intellectual and developmental disabilities*

*The Arc of Somerset County provides quality services and advocacy for individuals with intellectual and developmental disabilities and their families to support development and achievement at every stage of life.*

## How Arc Staffing Solutions works with a prospective employer

Strategies are varied and tailored to accommodate the needs of both the employer and the prospective employee. In addition to referring the right employee, The Arc will recommend a strategy to fit your business needs and ensure quality and productivity.

Arc staff work with the employer to identify their needs, identify a qualified individual from our network of skilled employees, refer that individual or group of individuals to the employer, and provide channels for ongoing support as needed.

*"Joining with The Arc of Somerset County has been a 'win-win' for Sodexo at Arbor Glen. I have been able to hire dependable employees who love their jobs and take pride in their work, and the residents and staff are extremely proud of the culture of diversity we are creating at Arbor Glen. Additionally, the staff at The Arc couldn't be more helpful. I look forward to a continued successful partnership with The Arc."*
