

It's Summer Class Time Again at Jerry Davis!

We have the cure for the Summer Time Blues!... Come out of the house and play with us!

Come to the "Play & Learn" Group!

Summer is a great time to get out of the house and practice play skills with other children.

This small, high activity class has an emphasis on:

Communication ♦ Social Skills ♦ Motor Planning ♦ Sensory Play

This Summer theme class will help your child use language, share & play with others in a classroom setting.

Taught by a NJ certified teacher with years of early intervention experience and a NJ licensed Physical Therapist/MEd Teacher who has many years experience in 1 to 1 and group pediatric physical therapy.

Our staff promises fast moving and challenging games.

This great class will help prepare your child for daycare or preschool!

You will get tips to encourage your child to use their words, use common play activity to stretch and strengthen their muscles, and practice fine motor skills all while having fun!

Children ages 2 – 3 & their parents or caregivers welcome.
