## How Arc Production Centers Serve You

Projects are tailored to meet the needs of the customer, and The Arc will recommend the best way to ensure that your work is completed in a timeframe and manner that meets your objectives. Jobs can be scheduled as individual projects or ongoing work.

Transportation of raw materials and finished work can also be arranged in many cases. The Arc's assets include vans, box trucks, and loading docks expanding the possibilities for shipping and receiving as needed.

If desired, supervised workers can perform work at your facility. Free quotes are always available.

*"The team at The Arc of Somerset County is great to work with. Over the years they have become a trusted resource, producing accurate quality work while always meeting deadlines. It is an absolute pleasure to partner with such a wonderful group of people!"*
